FROM THE DIRECTOR

Hi Friends! This experience with Alice in Wonderland has been so magical! I enjoy each one of the kiddos in the cast! They have worked so hard over the last couple of months. I cannot wait for you to see them shine. I would also like to thank and express my extreme gratitude to my teen and parent helpers. You have all been instrumental in helping make this production shine! Thank you for all of your hard work and guidance. I am so proud of all of you.

To my amazing team. You, ladies and gentlemen, are the cornerstone of this process. I could not ask for better collaborators, assistants, and friends. I could not have done this without you. You have worked so hard to make this production of Alice in Wonderland. I love and appreciate you all.

Lastly, I want to thank you, parents, guardians, and other important people in the lives of these children. I am thankful for your time driving them to and from practices, working on short notice to adjust to changes in the schedule, and investing in your children. I am so thankful for you all. Now sit back, become "Curiouser and curiouser!", and enjoy the show!

Juliet Russell has been directing the BSA Children's Theater since 2018. She is married to Darrin, and they have one child, Gabby. We have become a very "theater" family since that time. Each of my family members has taken a leading role in making these productions come together. Juliet has been a part of this theater since the very first show, Cinderella, which was performed in a "castle." Since then, she has been involved in the BSA in many capacities. She enjoys sharing her love of theater and the experience that it gives to the children. She hopes to continue to contribute to the BSA for many years to come.

A word from the BSA President: Marty Siegel

Welcome to the Bellevue Society for the Arts. I would like to take a few moments to say Thank You to those who have helped support live theater. It takes many volunteers to bring a show to opening night, and I am so very proud and thankful of all the hard work from each and every one who has been involved.

The show you are about to enjoy was a labor of love given by many more than those listed in this program, we are thankful for those who have assisted in any way.

We run on revenue from ticket sales, sponsors and donations. Thank YOU for your support. It takes many hands, hours, and dollars to get to opening night.

In closing I would like to thank those currently serving on the board, those who have retired, and our many committee chairs. I truly appreciate all you do or have done for BSA. Sit back and enjoy the show.
