FROM THE DIRECTOR'S CHAIR: CINDERELLA

DIRECTOR
FLOYD COLLINS

Get ready for some magic! Rodgers & Hammerstein's Cinderella: Enchanted Edition, directed by Floyd Collins, brings together Bellevue, Clyde, Fremont, Norwalk, Berlin Heights, Huron, and Castalia. Inspired by the beloved 1997 film, this show sparkles with laughter, heart, and songs you'll never forget. With dazzling effects like fog, strobe lights, magic, and ballroom dancing, it's a fairytale come to life on stage. A huge shoutout to the incredible production team, and a big thank-you to Bellevue Society for the Arts for making this magical journey possible!

ENCORE HIGHLIGHTS: THE FOREIGNER

Director Chris Bilecki says that his production of The Foreigner was a blast to put together with a cast of nine and an amazing crew. Even with just four weeks of rehearsal, everyone stayed focused, and rehearsals were full of laughter. The performances were a hit with the audience, and the energy on stage made the show so much fun. Plus, the donated taxidermy pieces gave the set the perfect hunting lodge vibe. Overall, it was a great experience from start to finish.
